

ACCOMMODATION 2010

The UCY has a dedicated link with one property within walking distance of the UCY, this property is managed by an external firm who has guaranteed to let their property to UCY students only.

For further details of this property contact the UCY direct.

In addition to this property there are many general rental properties available in the area, we have compiled a list of possible sources of accommodation below.

This list is compiled as an Introductory Service only for students who seek accommodation.

Please note that the College is unable to undertake an inspection of any of the accommodation on the following list.

It has been offered for student use but contracts are between the landlord and the tenant. The College is unable to accept any responsibility, financially or otherwise, for arrangements made.

Please check with individual landlords the arrangements for the inclusion or exclusion of water, gas, and electricity services in the prices quoted.
