

University Centre Yeovil

Higher Education Courses validated by Bournemouth University

What can I study at Yeovil?

BA, BSc (3 years) and Vocational Foundation degrees (2 years):

- **BSc (Hons) Clinical Nursing (Adult) with Professional Registration**
- **BA (Hons) in the areas of English & History; Business & Management**
- **Foundation degrees** in the areas of: Business & Management; Computing, Art, Design & Media; Performing Arts; Sport; Education; Engineering; Health & Care.

What is a Foundation degree?

- A modern higher education university level qualification designed to equip you with the skills and knowledge employers are looking for now and in the future
- Flexible - enables you to earn and learn at the same time
- Accessible – you can get on a course with Level 3 qualifications and / or practical experience / commitment
- Qualification valued by students and employers alike
- Vocational focus with work-based learning element, practical with theory embedded, learn through doing

How many days a week contact time?

Approx 3 - 3.5 days = full time study
plus independent study in your own time

What happens after I've finished my Foundation degree?

You can progress onto Honours level at Bournemouth University or another HE institution subject to achieving good grades for your Foundation degree

Why study locally?

UCY advantages as spoken by our current students:

- “IT’S CHEAPER – I’m not in debt”
- “I can continue playing sport for my local club”
- “I can keep my part-time job”
- “There’s a really high level of support”
- “I can learn the skills that companies want and get a job”
